Polyclinico Umberto Primo, Rome, Italy

**PRE-MEDICAL EDUCATION & HONORS**

- 1. Bachaloria (Excellent with honors).** Ranked among the top 50 students nationwide, 1986
- 2. Honor prizes in human biology, physics, and chemistry, 1986**
- 3. Philosophy and litereature competition first prize (Prix D’honor de Francais et de Literature), 1985**

4. **Student of the Year (Prix de sagesse), 1985**
5. **International School Zugberg, Switzerland, 1978**
6. **Jesuit Catholic School (College des Peres Jesuites), 1972 to 1986**  
Primary, middle and high school.

#### **MEDICAL TRAINING**

1. **Aesthetic / Oculoplastic Fellowship** - Emory University – Paces Plastic Surgery, 2005
2. **Administrative Chief Resident** – Emory University Plastic Surgery Division, 2004 – 2005
3. **Plastic Surgery Fellowship** – Emory University Plastic Surgery Division, Atlanta, GA 2002 to 2005
4. **General Surgery Residency** – Emory University Department of Surgery, Atlanta, GA 1999 – 2002
5. **Post-doctoral Breast Anatomy / Endoscopic fellowship** – Emory University Plastic Surgery Division, Atlanta, GA 1998 - 1999
6. **Full time Faculty – Plastic Surgery Division, Cairo University** 1996 – 1998
7. **Full time Faculty** – Cairo University Burn Unit, 1996 – 1998
8. **Chief Resident – Plastic Surgery Division, Cairo University, 1995 – 1996**
9. **General/Plastic Surgery Residency** - Cairo University, 1993 – 1996

#### **LICENSURE**

1. **California Medical Board, #A91590 (6/2005 to date)**
2. **Georgia Medical Board (1998-2014)**

#### **BOARD CERTIFICATION, DEGREES**

1. **American Board of Plastic Surgery, Diplomate (2007, 2017)**
2. **HIPAA Training, completed 2004, 2014**
3. **WIRB Human Research /Clinical studies. Completed 1999 / 2010/2021**
4. **USMLE step 3, state of Georgia, May 2003**
5. **Emory University Health System ICAC course “Protecting Research animals” completed**  
August 12, 2000

6. **PhD Degree** (Dissertation January 2000)
7. **USMLE permanent certification**, April 1998
8. **USMLE step 1**, October 1997
9. **USMLE (United States Medical Licensing Examination) Step 2**, August 1997
10. **Master degree in Plastic Surgery (Finals: part 2)**, with Excellency, November 1996
11. **Master Degree in General Surgery part 1**, April 1995; Anatomy, Physiology, histology, pathology, surgery
12. **MD Degree**, December 1992

## **PROFESSIONAL EXPERIENCE**

1. **President, Newport Plastic & Reconstructive Surgery Associates**, October 2005 to Present
2. **President, Orange County Society of Plastic Surgeons**, January 2017 to 2019
3. **Vice President Orange County Society of Plastic Surgeons January 2020-Now**
4. **Member California Society of Plastic Surgery Council, Representative of the South. Board Member/Treasurer California Society of Plastic Surgeons.**
5. **American Society of Aesthetic Plastic Surgery. Representative of the far west, member review committee.**
6. **Consultant / Visiting Professor and Surgeon, Emirates Health Ministry January 2018-2024.**
7. **Clinical Professor, UCLA Medical Center**, May 2006 to Present
8. **Board Member Orange County Society of Plastic Surgeons 2017-present**
9. **Medical Director the Orange County Aesthetic Fellowship (ASAPS Endorsed) 2018-present.**
10. **Consultant, Member of physician advisory Board AcelRx.**

- 11. Consultant Syntr Health.**
- 12. Medical Director Prestige Surgery Center at Newport beach, June 2015 to present**
- 13. Reviewer, Plastic and Reconstructive Surgery Journal, 2006 to Present**
- 14. Reviewer, Aesthetic Surgery Journal, 2022 to Present.**
- 15. Reviewer, Annals of Plastic Surgery, 2007 to Present**
- 16. Member, IRB Committee, Garden Grove Hospital, January 2009 to 2010**
- 17. Board Member, Co-founder Future Care IPA, January 2009 to 2013**
- 18. Member, Hoag Hospital, Medical Review Committee, January 2016 to 2018**
- 19. Medical Reviewer, Orange County Medical Association, January 2014 to Present**
- 20. Medical Reviewer, California Medical Board, June 2016 to Present.**

#### **HOSPITAL APPOINTMENTS**

- 1. Hoag Hospital**
- 2. UCLA-H Medical Center**
- 3. Saddleback Hospital**

#### **TEACHING EXPERIENCE**

- 1. Clinical Professor UCLA 2006 to present.**
- 2. Visiting Professor and Surgeon, UAE Hospitals January 2018-2023.**
- 3. Invited Guest Speaker/ Session Chair Cairo Aesthetic Institute Meeting September 2022.**
- 4. Aesthetic Academy Meeting, Speaker, Moderator Luxor 2015**
- 5. Visiting Professor, Cairo University / Speaker, Moderator November 2015**
- 6. Visiting Professor Cairo University, Invited Surgeon 2014**
- 7. Examiner Egyptian Board of Plastic Surgery, February 2014**

8. **Visiting Professor – Memorial Lecture Egyptian Society of Plastic Surgery Meeting, Gona, Egypt. Memorial Lecture: “Update in Breast Reconstruction” February 2014**
9. **Visiting Professor – Veterans and Military Hospitals, 2008 to 2018**
10. **UCI Plastic Surgery Grand Rounds Invited Speaker “Acquired Ptosis” January 2007**
11. **UCI Plastic Surgery Grand Rounds Invited speaker “The effect of eye lid biomechanics on aesthetics and reconstructive eye lid surgery” 2006**
12. **Invited lecturer Emory University: “Oculoplastic Surgery” 2006**
13. **Fresh Cadaver Lab Instructor, Emory University Oral Surgery course 2005**
14. **Faculty, Cairo University, Division of Plastic Surgery 1997 to 2007**
15. **Basic Techniques in Plastic Surgery, Course Director, Emory University 1998 to 2001**
16. **Postdoctoral Faculty, Emory University 1998 to 1999**

#### **PROFESSIONAL MEMERSHIPS**

1. **American College of Surgeons**
2. **American Medical Association (AMA)**
3. **American Society of Plastic Surgeons (ASPS)**
4. **Orange County Society of plastic Surgeons**
5. **The Jurkewitz Surgical Society, Emory University**
6. **California Society of Plastic Surgeons**
7. **The American Society of Aesthetic Plastic Surgery (ASAPS)**
8. **Board member NAAP, Orange County**
9. **United Doctors of California, Founding member**
10. **Future Care Medical Group, Founding member**
11. **President, Co-Founder World Wide Cancer Network 2010-Current**

## **MISSIONS AND MEDICAL TRIPS**

- 1. Visting Professor Veterans Hospital Alexandria/Cairo**  
2008,2010,2014,2016,2019,2022,2023.

- 4. Surgery for leprosy, Cairo** 1994
- 5. UNDP Project for Agriculture Development** 1984

## **HONORS AND SPECIAL AWARDS**

### **Postgraduate:**

- 1. Top Doctors in America (Plastic Surgery),** Castle Connolly/US News 2011 to 2024.  
(<https://www.castleconnolly.com/top-doctors/hisham-m-seify-plastic-surgery-16cc003904>)
- 2. Newsweek Top 100 Doctors In American Breast Augmentation and Liposuction categories. 2022/2023**
- 3. Best Presentation award for Miami cosmetic Surgery meeting June 2021.**
- 4. Physician of Excellence Award,** Orange County 2012 to 2024.  
(<https://www.orangecoast.com/article/physicians-of-excellence-2022/>)
- 5. The Sherrel J. Aston Award,** The American Society of Aesthetic Plastic Surgery, 2007
- 6. Best Paper: “Endoscopic harvesting of four muscle flaps, safe and effective technique,** Annals of Plastic Surgery 2002
- 7. Year Book of Plastic Surgery 2004: “Endoscopic assisted face lift” review of 200 cases.** Annals of Plastic Surgery, March 2004

### **Undergraduate:**

- 1. MD graduation,** with Excellence and Honors 1992
- 2. Bachaloria graduation,** with Honors 1986
- 3. Student of the Year,** Prix de Sagesse 1985

4. **Philosophy and Literature Competition First Prize**  
Prix D'honor de Francais Et de Literature 1985

## RESEARCH EXPERIENCE

### A-Principle Investigator:

1. **Open Label, Multi-Center Study Evaluating the effect of adipose tissue processed with SyntrFuge System for facial fat grafting. (2022-2023)**
2. **Awake Plastic Surgery Procedures: The Use of a Sufentanil Sublingual Tablet to Improve Patient Experience. (2021-2022) Hisham Seify MD.**
3. **Sublingual Sufentanil tablet reduces opioid use following outpatient plastic surgery. (2021-2022) Hisham Seify MD.**
4. **A Phase 3, Randomized, Double-Blind, Active-Controlled, Multicenter, Safety and Pharmacokinetic Study of HTX-011 via Local Administration in the abdominoplasty model. (2017)**
5. **A Phase 3, Randomized, Double-Blind, Active-Controlled, Multicenter, Safety and Pharmacokinetic Study of HTX-010 via Local Administration in hernia Surgery. (2017)**
6. **A Phase 3, Randomized, Double-Blind, Active-Controlled, Multicenter, Safety and Pharmacokinetic Study of HTX-012 via Local Administration in Multiple Surgical Models. (2017-2018)**
7. **Prospective Study of The use of Sterilized Acellular human dermis (Allomax) in post mastectomy tissue expander reconstruction and breast revision. (2013)**
8. **US Surgical Research Grant: "Improvement of Tram Flap Viability Using hVEGF Induced Angiogenesis" (2000)**
9. **US Surgical Research Grant: "Effect of vascular endothelial growth factor-induced angiogenesis on TRAM flap harvesting after abdominoplasty" (2000)**
10. **US Surgical Research Grant: "Electron microscopic and histological evaluation of the stapled micro vascular anastomosis in the rabbit model" (2000)**
11. **The Medicine of Eye Closure. Concepts of Innervation the Human eye.** Clinton D. Mc Cord, Jr M.D, **Hisham Seify M.D**, Arthur English Ph.D., Mark Codner, M.D. Plastic surgery division and Department of cell biology Emory University.
12. **Homologous Transplantation of Prepubertal Testes in the Do.** Supported by NIH grant NS31621, gift of cyclosporine from Novartis Pharmaceuticals Corporation, and testosterone testing by Assay Services of Yerkes Regional Primate Research Center.
13. **Hisham Seify, MD; T. Roderick Hester, MD. "Computer based recognition of fracture pattern of the human mandible"** Project between Georgia Institute of technology and Emory University to develop software/hardware 3D tools.

## **B-Clinical Investigator:**

- 1. Awake Plastic Surgery Procedures: The Use of a Sufentanil Sublingual Tablet to Improve Patient Experience. (2021-2022) Hisham Seify MD.**
- 2. Sublingual Sufentanil tablet reduces opioid use following outpatient plastic surgery. (2021-2022) Hisham Seify MD.**
- 3. Double-blind, randomized, controlled trial to assess the effects of the Obagi nu-derm system on re-epithelialization after chemical peel or ablative laser resurfacing.** Edwin G. Wilkins, M.D., M.S. Andrea L. Pusic, M.D., M.H.S. Susan Kaweski, M.D. Brian M. Kinney, M.D. Gregory R.D. Evans, M.D. Neil Fine, M.D. Robert Walton, M.D. Constance M. Chen, M.D., M.P.H.C.B. Boswell, MD
- 4. L. F. Elliott, Jr., MD<sup>1</sup>, Timothy G. Schaefer, M.D.<sup>2</sup>, Hisham Seify, M.D.<sup>2</sup>, Patty Bergey, P.A.C.<sup>1</sup> Designing Skin Pattern Incisions for Immediate Breast Reconstruction with Autologous Tissue** <sup>1</sup>Atlanta Plastic Surgery, Atlanta, GA, USA, <sup>2</sup>Emory University Residency Program, Atlanta, GA
- 5. L. F. Elliott, MD<sup>1</sup>, Timothy G. Schaefer, M.D.<sup>2</sup>, Hisham Seify, M.D.<sup>2</sup>, Patty Bergey, P.A.C.<sup>1</sup> Harvesting the Scarless Latissimus Dorsi muscle for Breast Reconstruction** <sup>1</sup>Atlanta Plastic Surgery, Atlanta, GA, USA, <sup>2</sup>Emory University Residency Program, and Atlanta, GA, USA.
- 6. Hisham Seify, MD; T. Roderick Hester, MD. “Preliminary (3 Years) experience with Smooth-wall Silicone Gel Implants for Primary breast Augmentation”** Presented at the Southeastern society meeting, Hot springs, Virginia, June 2004.
- 7. Hisham Seify, MD; T. Roderick Hester, MD. “Review of Polyurethane breast implants”** Clinical survey of 2000 patients.
- 8. Hisham Seify, MD; L. Frank Elliot, MD. “The 3-hour Free TRAM flap”** Safe and effective technique, review of 100 consecutive Free TRAM flaps.
- 9. Dustin Reid, MD; Hisham Seify, MD; T. Roderick Hester MD. “The use of the Epigastric flap in correction of tubular breast deformity”** Division of Plastic Surgery, Emory University, Atlanta, Georgia.
- 10. Hisham Seify MD; Hunter Moyer, MD; Glyn Jones, MD; Albert Losken, MD; John Culbertson, MD. “The salvage of infected vascular grafts using muscle flaps”** Accepted for presentation at ASPS meeting Philadelphia October 2004.
- 11. Hisham Seify MD; T. Roderick Hester, MD; Mark Codner, MD; Foad Nahai, MD; Clinton McCord, MD. “Safety and Efficacy Outpatient surgery practice”** Review of 8324 consecutive cases.
- 12. Hisham Seify MD; Kamal Mansour, MD; Trent Douglas, MD; Glyn Jones, MD; Joseph Miller, MD; T. Roderick Hester, MD. “Single stage muscle flap reconstruction of the post-pneumonectomy Empyema space”** Presented at the ASPS meeting, October 2002.

13. **Hisham Seify MD**; Houston Payne, MD; John Seiller, MD; Robert Howell, MD. **“The use of the perforator based radial forearm flap for reconstruction of the Gliding tissue of the hand”** Anatomical and clinical study.
14. Albert Losken, MD; **Hisham Seify, MD**. **“The use of 3D imaging in assessing breast volume”** Presented at the Southeastern Society meeting, Hot springs, Virginia, June 2004
15. **Hisham Seify MD**; Glyn Jones, MD; Robert Harris, MD. **“The use of the pedicled DCIA flap in the management of pubic osteitis”**
16. Scott Hultman, MD; **Hisham Seify, MD**. **“The use of the Para spinous muscle flap for coverage of infected spinal wounds”** Accepted for publication, Annals of Plastic Surgery.
17. **Hisham Seify MD**; Glyn Jones, MD; Albert Losken, MD; John Culbertson, MD; Grant Carlson; MD; T. Roderick Hester,, MD. **“The use of TRAM flap for Breast reconstruction”** The Emory experience.
18. **Hisham Seify, MD**; Glyn Jones, MD. **“Electron microscopic and histological evaluation of the stapled microvascular anastomosis in the rabbit model”**
19. **Hisham Seify, MD**; John Murray, MD. **“Coverage of soft tissue defects of the lower leg using the modified sural flap”** Clinical and laboratory study.
20. The use of the omental flap for hand reconstruction.
21. Clinton D. Mc Cord, Jr M.D, **Hisham Seify M.D**, Mark Codner M.D, Quatitation of ptosis. Review of 144 consecutive Tarso-levator procedures.
22. **“Homologous Transplantation of Prepubertal Testes in the Do”** Supported by NIH grant NS31621, gift of cyclosporine from Novartis Pharmaceuticals Corporation, and testosterone testing by Assay Services of Yerkes Regional Primate Research Center. (2005)
23. Hisham Seify, MD; T. Roderick Hester, MD. **“Computer based recognition of fracture pattern of the human mandible”** Project between Georgia Institute of technology and Emory University to develop software/hardware 3D tools. (2004)
24. Mentor Gel implants clinical study. (2006-2019)
25. Allergan Silicone Implants clinical study.(2006-2019)

## RESEARCH GRANTS AWARDED

1. Davol Surgical Research Grant: **“A Prospective Study of The use of Sterilized Acellular human dermis (Allomax) in post mastectomy tissue expander reconstruction and breast revision.”**
2. US Surgical Research Grant: **“Improvement of Tram Flap Viability Using hVEGF Induced Angiogenesis.”**
3. US Surgical Research Grant: **“Effect of vascular endothelial growth factor-induced angiogenesis on TRAM flap harvesting after abdominoplasty.”**

4. US Surgical Research Grant: “**Electron microscopic and histological evaluation of the stapled micro vascular anastomosis in the rabbit model.**”

## LECTURES AND PRESENTATIONS

### Presentations at International /National Meetings:

1. Sufentanil Sublingual tablet reduces postoperative opioid use following outpatient plastic surgery. California Society Plastic Surgery Meeting May 2022
  2. Breast Ptosis .ISAPS Meeting Istanbul Turkey September 2022.
  3. Awake Plastic Surgery procedures. ISAPS Meeting Istanbul Turkey September 2022.
  4. Lower Blepharoplasty and cheek lift. ICC Meeting Cairo Septmeber 2022.
  5. Liposculpture Pros and Cons. Key note speaker ICC Meeting Cairo September 2022.
  6. The real Plastic Surgeon. Key note Speaker ICC Meeting Cairo September 2022.
  7. Cosmetic and reconstructive breast surgery. Suez Canal University-Egypt. August 2022
  8. Cosmetic eye lid surgery. Avoidance of complications. Bi-California meeting.Mexico August 2022.
  9. The use of canthopexy in Trans-Blepharoplasty Face lift. California Society Plastic Surgery Meeting May 2022
  10. The Use of a Sufentanil Sublingual Tablet to Improve Patient Experience. Hisham Seify MD. Aesthetic Society Meeting April,2022
  11. Hisham Seify MD, Aesthetic and reconstructive surgery update. Key note speaker Egyptian Society of Plastic Surgery. October 2021.
